Monthly Meetings – (2nd Monday of every month, 7-9pm – (check website for changes to times / locations)

Anyone can attend our monthly meetings. They are a great networking opportunity for all interested in promoting fine arts. We discuss art events happening in the area, provide updates on 14 South Artists events, and often feature guest speakers. Often, we present resources and information to artists on how to promote their work. Sometimes meetings are cancelled or moved to other locations, so always check the website prior to each meeting to confirm the status, location and times for that meeting.

6th Annual Member Dinner – (March 27th, 6-9pm at Fitchburg Community Center, 5520 Lacy Rd., Fitchburg)

New this year! Instead of a speaker, the main event will be a night of fun, music, dancing... and a delicious dinner buffet will be catered by Sugar N' Spice Eatery! The awards ceremony will recognize individual members, and present our 2009 Special Recognition Award. Each year, the Board of Directors makes this award to one member who has served 14 South Artists in an outstanding way.

3rd Annual Spring Art Show – (Apr. 24th & 25th, 9-4pm at Fitchburg Community Center, 5520 Lacy Rd.)

Once again, the event will be held for two days due to the tremendous success of the show in 2009. In addition, we've expanded the space to cover two floors of the Fitchburg Community Center making room for 40 artists. All spaces were filled last year and attendance was good so be sure to sign-up by the 1/15 cut-off date.

7th Annual Fall Studio Art Tour – (Sep. 25th & 26th, 10-4pm at various artists studios)

The goal of this event is to raise awareness and support for the many local artists who live and work in small communities south of Madison. This year about 40 artists are expected to open their studios with special exhibits and demonstrations making this art tour one of the biggest in our state.
