Mission: The mission of 14 South Artists is to promote fine arts in communities south of Madison.

Objectives: 14 South Artists believes local fine arts will thrive only if local artists can sell their work. Therefore, the group sponsors education and art events to promote the works of its members. It also supports initiatives to increase public awareness and build advocacy for local arts in our communities.

Membership is open to anyone, from any community, who wants to help promote fine arts in communities south of Madison. There are **three (3) membership categories...**

- 1) **Juried Artist Membership** - This category is for artists who want to show and sell their work at 14 South Artists events. The purpose for this category is to establish high quality standards that measure an artist's originality, creativity, skill, inspiration, experience and ability to have their work accepted in fine art shows, exhibits and/or galleries. Only Juried Members may exhibit in 14 South Artists shows. These members can vote for, and are also eligible for election to, the Board of Directors.

Requirements: Applicants must (a) submit the Membership Registration Form with payment for annual dues, plus (b) include at least six non-returnable examples of their work, and (c) be accepted by the Jury Committee. (see Jury Committee Considerations below)

- 2) **Non-Juried Membership** – This category is for anyone, artists or non-artists, who want to participate as a voting member of the 14 South Artists group but are not eligible to exhibit at 14 South Artists shows. The goal is to encourage and help prepare new artists for 'Juried Member' status and/or provide opportunities for non-artists to participate in an official member capacity. These members can vote for, and are also eligible for election to, the Board of Directors.

Requirements: Complete Membership Registration Form with payment for annual dues.

- 3) **Student Membership** – This category is for students who wish to gain the experience of working with a community arts organization and learn from artists well established in their mediums. Students are encouraged to volunteer in group events but are not eligible to exhibit and/or sell their work in 14 South Artists shows. Students do not vote and are not eligible for election to Board of Directors. Membership is free to currently enrolled students.

Requirements: Completed Member Registration Form plus proof of school registration.

Additional information for 'Juried Member' registrations...

- **NEW MEMBERS** – The Jury Committee meets about four (4) times per year. Applicants must send six (6) reproduction quality, non-returnable examples of their work (*see IMAGE SUBMISSIONS below*). All artwork must be original in design and not the result of mass production studios, commercial kits or prefabricated pieces. Also, applicants may be asked to explain their artistic process, philosophy and goals.
- **ALL MEMBERS** (including current members) must annually complete the Member Registration Form and send it in with your annual membership dues. This form is required because it is used to annually update all member information which saves valuable volunteer time in managing mailings and event materials. Members who do not complete this form could be disqualified from participation in group events.
- **IMAGE SUBMISSIONS** – (provide on CD, DVD, or see website for upload information)
DO NOT send originals as these will not be returned. All image submissions must be 'reproduction quality' because they will be used in event promotional materials. Current members do not need to send in new images unless they want their images updated from previous year submissions. Digital images are preferred (however slides or prints are also acceptable). Digital images should be about 4"x 6" at 200 dots per inch (approx. 2-3 megabytes file size) and submitted in JPG, TIF, or PDF format. (*see web for details*)

Monthly Meetings & Major Events – 14 South Artists monthly meetings are held on the second Monday of every month and are open to anyone, member or non-member, who wants to attend. Often the meetings feature special speakers, presentations or workshops. 14 South Artists also sponsors three (3) main events per year which include a Membership Dinner, a Spring Art Show, and a Fall Studio Art Tour. More event details are described in the attached 14 South Artists '2010 Events Summary' (*also on website*)
